DESCRIPTION OF SWIM LEVELS

Levels are presented in a logical progression. It is NOT uncommon for swimmers to stay at a certain level for a few times before they can successfully complete all the skills in that level. It is natural for swimmers to develop skills and comfort levels at different paces.

Parent – Tot: For children ages 2 and 3 - Enjoy the water through songs and play! Meets 6 times.

Sessions 2 & 3 only – meets on Tuesday, Wednesday & Thursdays. Resident: \$15 Non-Resident: \$20

Pre-School Swimmer: For children ages 4 and 5 who are ready to participate in a group setting, without a parent.

They will learn Level 1 skills, (basic skills), including water entry and exit, breath control and submerging, buoyancy, changing direction and position, and swimming on front and back.

Level 1: Water Exploration - Age 6 and up.

Level 2: Primary Skills

Level 3: Stroke Readiness

Level 4: Stroke Development
