(13) OWNER MAY FILE. Any time within 2 years after the sale of a motor vehicle as provided herein, any person claiming ownership of such a vehicle or a financial interest therein may present a claim to the City Council setting forth such facts as are necessary to establish such ownership or interest, and that the failure of the claimant to reclaim the vehicle prior to the sale was not the result of neglect or fault of the claimant. If the City Council is satisfied as to the justice of such a claim, it may allow the same, but in no case shall the amount allowed exceed the sum paid to the City Treasury as a result of the sale of such a motor vehicle, nor the amount of interest of the claimant therein.
